Then his voice shook the earth, but now he has promised, "I will once more shake not only the earth but heaven too." Hebrews 12:26

This verse contains a key to understanding the mystery of the last trumpet that will sound at the future resurrection of the dead in Christ. While *Earthquake Resurrection* focused on the pattern of earthquakes coinciding with the resurrection of the dead to immortality, *Then His Voice Shook the Earth* focuses on how the voice of the Lord shook the earth and Mt. Sinai and will once more shake both the earth and the heavens. *Then His Voice Shook the Earth* features all the important points of the first book, but also includes abundant new and exciting information, including:

- The reason for Paul's mysterious trip to Arabian after his conversion.
- The connection of Mt. Sinai not only to Paul's revelation of the rapture, but also to his revelation of the last trumpet at the resurrection of the dead in Christ.
- The meaning of the "last trumpet" that will precede the resurrection of the dead in Christ.
- The importance of the opening of the seventh seal in ushering in the day of the Lord's wrath.
- The kingdom of God and its connection to the ascension and Revelation chapters 4 and 5.
- A new exploration of the spirit of antichrist unleashed at the opening of the first seal, including Greek gnosticism's influence in the early church.
- Exploration of the ceremony of incense after the opening of the seventh seal, and what it tells us about the timing of the future tribulation period.
- Finally, an epilogue that will challenge both the current post-modern spirit of atheism, as well as the daily walk of all believers in Christ.

For the different ordering options, go to www.earthquakeresurrection.com/order.html. The book will also be available on Amazon.com soon.

Thank you for your interest, and let me know if you have any questions about ordering the book. I look forward to your feedback about this exciting new project!

All for His glory,
David Lowe
