

EARTHQUAKE RESURRECTION NEWSLETTER

Featuring the latest news about the books of David W. Lowe, *Earthquake Resurrection* and *Then His Voice Shook the Earth*, as well as future projects.

March 2007

Hi everyone!

It's been a busy month, as tax season is in full swing, and free time is a luxury, but a found time this weekend to put together this newsletter. If you would like to view previous newsletters in PDF format, [you may visit this link](#). Here are this month's news items:

1. Censored on Rapture Ready Message Board

 Most of you are probably familiar with the Rapture Ready Message Board, a popular place to meet and discuss Bible prophecy. I was once a member of this forum, but was banned from posting and from reading "member" forums a couple years ago when I tried to tell others on the site about my book *Earthquake Resurrection*, and for discussing an alternative rapture view that differs from the traditional rapture view.

It appears that now, any discussion of the earthquake resurrection model or anything on my website is to be censored on the Message Board. Recently, one of the posters brought up the topic of how the world will react to the aftermath of the rapture event in a thread. Several posts were made, then someone who has read the earthquake resurrection model brought up the possibility of missing persons in the rapture being lost in the shuffle of a global catastrophe, then posted a link to Earthquake Resurrection Online.

The result of this was the link being removed by one of the administrators. Shortly after this, the thread was closed for further discussion by the administrator. Below is an image of one of the posts. If you'd like to view the entire thread, you may view it here in this PDF:

Oh my goodness. Those articles certainly are interesting! I wasn't able to read them in great depth, but I was able to take in most of each article. I am only confused about one thing though. Is David Lowe suggesting that the rapture will not take place before the tribulation? Or did I misunderstand him?

...Yet will I not forget thee. Behold I have graven thee upon the palms of my hands...
Isaiah 49:15&16

2. New Article on the Rapture Completed!

I have finished an article titled *Missing Persons: A Rapture Explanation that Makes Sense*. This article was inspired by a recent broadcast of the Berean Call by Dave Hunt and TA McMahon in which they discussed how the world will react to the rapture event, and was designed to get people to think about and consider what we are really expecting people to think when this event happens.

The plan is to circulate this article to as many prophecy ministries and churches as I can to generate interest in the earthquake resurrection model. I also will submit it to a few Internet sites for publication, so you may see it there as well. *Because of this, I'd love to have your feedback on how the article could be improved, if you have any ideas!*

3. Survey Results? Not Yet . . .

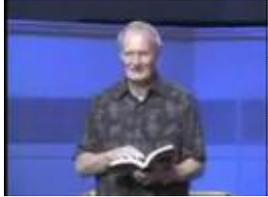

If you have taken the time to complete the survey that was recently started on my web site, you are part of a select

few. There have been tens upon tens of people that have completed it!

Actually, as of today, 46 people have completed the survey. So I'm hoping for a few more people to complete it. Unfortunately, only 37% of persons who receive the Earthquake Resurrection Newsletter even open their emails, so that makes it a challenge to get people to do the survey when they don't open the email.

4. Pastor Stocker Endorsement Video on YouTube

I've uploaded the video of Pastor John Stocker of Resurrection Fellowship in Fort Collins, CO endorsing *Earthquake Resurrection* onto YouTube. If you aren't familiar with this, you may read about it [at this link](#).

You may visit this link to view the one-minute video, and you may also feel led to share the link with others or embed the video onto your website. The link is: <http://www.youtube.com/watch?v=Mvba47aEKh4>

5. Interview on The Big Finale with Bruce Collins

On Friday March 16, 2007, I've been invited to be interviewed by Bruce Collins, host of the radio show *The Big Finale*. I look forward to this interview with Bruce, and it remains to be seen what the topic of discussion will be. But I'm sure it will be interesting! I'll send you a reminder when this interview is coming up.

6. A Nice Reader Review

I've just received a very nice review by a reader named Lisa Madsen, who said she heard about *Then His Voice Shook the Earth* by browsing Amazon.com and seeing the book in her recommendations list after purchasing *Red Moon Rising* by Peter Goodgame. Thanks for the nice email, Lisa!

Here is the review:

I received your book yesterday, "Then His Voice Shook the Earth..." & I read the whole book before I went to sleep last night. Thank you so much!

I really liked your careful study of the Scriptures & your explanations, I looked up Revelation chapters 4, 5 & 6 today & having read your book, I saw it plain as day, everything you said made perfect sense. It's amazing how you can read the Scriptures many times & completely miss the plain meaning because your understanding has been clouded by other teachings. I had always thought there was something to the "trumpet of God" on Mount Sinai as being related to the last trumpet. I just ordered your other book, "Earthquake Resurrection" from Amazon.com today & I am really looking forward to reading it too.

I did a search for the word "sixth" in the Scriptures & it was interesting, like the sixth son of Leah is Zebulun meaning "exalted", the sixth son of Jesse is Ozem which means "I shall hasten them", the sixth son of David is Ithream, "profit of the people" by his wife Eglah which means "a heifer" &

that reminded me of the ceremony prescribed in Scripture for the absolution of guilt for the shedding of innocent blood that you mentioned in the book. There's more interesting usages of the word "sixth" also. I love how the Scriptures support one another & it's a integrated whole as well as holy.

:O)

Will you be writing any more books?

Thank you again,
Your sister in Christ,
Lisa Madsen

Finally, I want to once again encourage all believers to continue to call unbelievers to repentance and warn them of the coming judgment in light of the nearness of Christ's return. The Creator God no longer winks at man's ignorance, but calls all men everywhere to repent. He has highly exalted Jesus Christ as King, and submission to the King is my life's mission so that he may be glorified in the earth.

Maranatha,

David Lowe
