Hi everyone!

I hope everyone had a great summer. As the fall season arrives, I look forward to the feasts that I believe could soon be spiritually fulfilled with the sixth seal resurrection of the dead in Christ, the catching up, and the beginning of the wrath of God poured out on the earth. Those feasts are the Head of the Year (Rosh Hashannah), the Day of Atonement (Yom Kippur), and Tabernacles (Sukkot). Be on the lookout for a great new study by Peter Goodgame on this topic [at his website](#).

Here are the news items for this month:

1. *Earthquake Resurrection* and *Then His Voice Shook the Earth* Now Available in HARDCOVER Format!

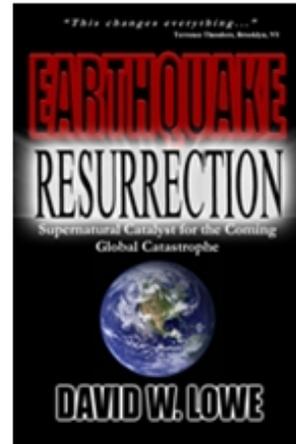

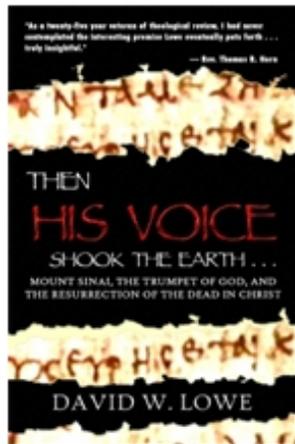

Some of you have inquired in the past about whether these books would be available in hardcover. Both books are now available in hardcover! **[Click here now to order either book in hardcover format.](#)**

Advantages of getting the new hardcover include:

- The quality of these hardcover books is excellent; I really love the copies that I have.
- The books stay open when laying on a flat surface; it's no longer a struggle to hold the book open as with a paperback book.
- The pages are a nice bright white color as opposed to the cream colored page with the paperback.
- Replace a worn out paperback with a more permanent hardcover copy of either book.

As would be expected, the price of the hardcover is higher. In addition, the processing and shipping time to fulfill an order for the books takes a bit longer.

2. Leaving For Honduras

My wife and I will be joining a group from a couple churches around the country and travelling to Honduras for a missions trip. We will be helping to build a church, ministering to the local congregation where we will be building, and evangelizing as much as possible.

We will be gone from September 22nd to September 30th. Your thoughts and prayers are greatly appreciated, that the Lord would be glorified through our efforts for his kingdom.

3. Archive of August 24, 2007 Kim Olsen Interview on "The Big Finale"

For those who missed my interview of Kim Olsen on August 24, 2007 about the Age of Aquarius and the rise of occultism in the institutional church, you can download and/or listen to the archived audio at the link below:

<http://www.riotradionetwork.com/shows/tbf082407.mp3>

The interview featured a review of the roots of eastern mysticism in America through the early women involved in the promotion of the occult, revealing the plan for how they would deceptively infiltrate the institutional church with occultism at the dawn of the esoteric "Age of Aquarius." Then, we provided proof of their plan actually being brought to fruition before our eyes today in institutional churches all across America, as repentance and faith messages are being replaced by prosperity preaching, contemplative spirituality, and yoga classes. I hope you will listen to this interview and pray for the Spirit's discernment in your local congregation. This is a call to pray, confront your leaders, and bring about change before the institutional church falls any deeper into this deceptive and evil chasm of occultic syncretism.

I also encourage you to check out, bookmark/favorite, and blogroll Kim's discernment website for stimulating articles and perspectives at kimolsen.wordpress.com.

4. Archive of June 22, 2007 Interview on The Seven Seals with Bruce Collins on "The Big Finale"

For those who missed the June 22, 2007 interview with Bruce Collins on The Big Finale, it is now available at the linked below:

<http://www.earthquakeresurrection.com/media/RadioInterviews/TBF/tbf062207.mp3>

I believe you will enjoy this interview, as the entire hour was taken to slowly walk through each of the first six seals, the meaning of the seven-sealed book, and the importance of understanding the historical setting of Revelation chapters 4 and 5 for the correct historical interpretation of the opening of the seals. Discussion of an important passage in Zechariah chapter 6 which sheds light on the identity of the riders of the four horses of the first four seals was also a highlight.

Many of you mentioned that you wanted to listen to this archive, so I hope you will take advantage of the archive.

5. Reader Email

I recently received the following email from Karen, who read Earthquake Resurrection for the first time:

"Dear David,

I read most of your book this past weekend. WOW!! So much meat in there!! I am so impressed with your genius in interpreting Revelation, and all the proof you give. . .I'm just astounded. Your book is amazing!!

I had been taught the traditional pre-trib view that the seals had not been opened yet. I can see NOW that that was false. I had never had your view explained to me before, but it makes perfectly logical sense. I have read up to page 266 and will finish it today, I'm sure. You know I had created a Left Behind letter, and mentioned to follow my notations I'd made over the years in the book of Revelation. Well, I had to change all of that and instead I put in my letter to read [Earthquake Resurrection](#) by David W. Lowe. I will keep your book next to my Left Behind letter. I am afraid all of my notes I've made are incorrect. But, that is OK. I'm just so very glad to know the truth before the Lord comes. It puts a whole new light on things, I'll tell ya.

I don't know about you, but I read the book [2007](#) by Shelby Corbitt, and have read many prophecies and visions/dreams about the Lord coming during Rosh Hashanna. This is the first time I have truly truly felt in my spirit that the Lord is coming by the end of this week. If He does not come, I will have to regroup and keep on going, but I have been trying to make plans, wrap things up preparing for my departure. I am astounded that we are at this time waiting for the Fifth Seal to be fulfilled, and we are ready to go into the Sixth Seal!!! 25-30 years ago when I was learning about the book of Revelation I was getting most of my information from Jack Van Impe. I cannot believe how wrong he has been. I wonder if he has changed any of his views - I stopped watching his programs about 4 years ago.

I cannot imagine the amount of research you did. I hope you are selling many of your books. (I'm sure you've looked into selling your book at a book store.) I just hope your book gets into the hands of many many people. Thank you so much for writing this book. My main interest is learning more of the Word and end-time prophecies. I feel like I've made a giant leap in that endeavor by reading your book."

Thank you, Karen, for your kind words. The Word of God is a treasure chest full of history, mysteries, and truths to live by. All glory to the King, the Lord Jesus Christ.

6. Are You Going to Dallas in December?

If you will be going to the 2007 Pre-Trib Study Group prophecy conference in Dallas, TX this December 10-12, 2007, please send me an email and let me know: david@earthquakeresurrection.com. You may register here: www.pre-trib.org/index.php.

7. New Interview Series in October

Plans are now in the works to appear on a popular Bible prophecy podcast for the month of October, on which Then His Voice Shook the Earth will be offered in a package with a one-hour CD. More details on this as comes closer to fruition.

Until next time, may the grace of our Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit be with you.

David W. Lowe
